## Webinar: Export Opportunities In Pulses

Growing consumer awareness about plant-based foods' health and environmental benefits is increasing the demand for pulses globally. The current trends create interesting opportunities for suppliers from developing countries that want to enter the European market. The Centre for the Promotion of Imports from developing countries (CBI) will host a webinar targeting stakeholders in the pulses sector on 25th October 2022 at 11:00 AM - 12:30 PM EAT.
