REGIONAL EXPORTERS ROUND TABLE

"Partnerships for Growth: Collaborating for Export Success"

Exporters Roundtable Forums 2026

The Exporters Roundtable Forums, an exciting initiative by the Kenya Export Promotion and Branding Agency (KEPROBA), are underway, bringing together exporters, government officials, industry stakeholders, and service providers to drive Kenya's export growth under the theme, "Partnerships for Growth: Collaborating for Export Success."

These consultative forums align with Kenya's Bottom-Up Economic Transformation Agenda (BETA) and Vision 2030, focusing on key value chains with high export potential: tea, coffee, dairy products, edible oils, textiles and apparel, the blue economy, leather and leather products, and meat and meat products.
