Kenya-UAE Business Guide

The Kenya-UAE Business Guide, prepared by the Consulate General of Kenya in Dubai, serves as a comprehensive roadmap for Kenyan entrepreneurs, investors, exporters, and professionals seeking to enter or expand within the United Arab Emirates market. Kenyans can leverage this guide in multiple ways: exporters can identify high-demand products such as tea, coffee, avocados, flowers, goat

meat, and pineapples; understand UAE customs duties and certification requirements; and access logistics partners, including Emirates SkyCargo, Kenya Airways Cargo, and major shipping lines such as MSC, Maersk, and CMA CGM, which operate the Mombasa-Jebel Ali corridor.
